Dear Universal Fire & Casualty Insurance Company
and Moonlighting Bail Bonds,

The bond #003-10378486 was conceived by threat and coercion as it states on the signature line. Due to myself Candi L Weeks a natural man being Under Duress with no other option except harm to my physical being I was forced to sign as Brooke A Weeks witnessed(please see witness statement).

Due to the violent inception of this bond, leaving me no options other than this bond makes this contract VOID.

Please see the witness statement attached.

Therefore to Right a wrong please cancel this bond, void this bond.

This bond is a Nullity from its inception.

The purpose of this bond has been to force and threaten a false jurisdiction leaving no options to protect myself from physical harm while Under Duress by Threat and Coercion.

If this bond is not canceled voided you would be in collusion to bring further harm upon me.

Please see signature on bond application. It is clearly signed Under Duress, Threat and Coercion.

A Contract under Threat is a Nullity.

Please return my \$125 to:
