I, Candi-Lee;Weeks Affiant, A living Man/Woman, in this court of record Claim & Declare:

October 19th hearing at the City of Whitefish Courthouse 2nd demanded hearing by threat of arrest ,at approximately 1:30.

At this hearing I was getting my papers arranged on the desk for ease of viewing for the hearing.

The Judge was extremely impatient and asked me to give up my seat and he passed me over. I then had to pick up all of my paperwork and free the seat per his orders.

He then called me up again, not sure the approx time.

The judge demanded that I identify myself with my full LEGAL NAME.

I asked if this was a Court of Record. The judge refused to answer and ignored the question.

I stated that I had the right to ask questions and that he had the duty to answer them.

I stated on the record that the judge was ignoring my questions.

I again asked the judge if we were on the record, he replied "yes we are on the AIR".

(What is on the air?)

Judge: Whats your name?

I stated who I was, Verbally retained all my rights, and questioned this courts jurisdiction. Again no response from the judge.

The judge ignored the jurisdictional challenge. No response. I asked if there was a charging instrument, the judge ignored me again, no answer.

The judge asked if I had a citation with me and I replied that I had a citation here . I again asked if the court had a charging instrument, again no answer from the judge.

The Judge then said we will see you next Wednesday at 1:30 and moved on to the next party.

I was denied due process, the right to speak and be heard again in this colorable court that makes its own rules .
