I, Candi-Lee;Weeks Affiant, A living Man/Woman, in this court of record Claim & Declare:

On November 16, 2017 hearing approx 1:00 pm, 4<sup>th</sup> demanded hearing at the City of Whitefish Courthouse by threat of arrest.

Judge asked for my name, I stated that my name is Candi- L ;Weeks and I have a motion for extension of appearance.

Now comes Candi-L;Weeks by special appearance under threat, duress, and coercion and not submitting to the courts jurisdiction to state cause for a lack of appearance.

"Please see Document ...CLW-012 incorporated by reference as if being fully stated herin"

Judge told me that my paperwork was not in proper form. Judge stated that if I wanted the court to consider anything (stop ignoring me)

#1-If you are not here in the legal sense because you are contesting jurisdiction, I can grant you no relief.

I said pardon me as I do not understand that.

**Judge:** If you are not here submitting yourself to the courts jurisdiction. Then I have no power to grant you any relief.

I stated that I would like to submit myself to this court on

1.  
2. the condition, do you have the evidence that proves that I am  
3. subject to this jurisdiction.  
4.

5. **Judge:** Are you a human being?

6. **Me:** The evidence should be submitted to the court.

7. **Judge:** Are you a human being?  
8.

9. "I felt that this court system was based on entrapment as it  
10. seems the judge was always trying to bait me into answers that  
11. gave him the authority. It was a word game."

12. **Me:** If there is no evidence submitted to this court, then I  
13. motion this court to dismiss this case.

14. I asked the judge to allow me to straighten my paperwork, the  
15. judge refused my paper organizing and denied my motion. Judge  
16. Bradley Johnson was biased against me as one of the people. Judge  
17. Bradley Johnson never performed impartially.

18. Judge asked for my residence in Montana and my full legal name.

19. **Me:** I will get my paperwork together so I can read it to you.  
20. Judge ignored my request.

21. Judge Johnson turned to The PA and Biased against me asked the PA  
22. if she would like him to demand an appearance bond?

23. **PA Curtis:** Ya I think that is perfect.

24. **JUDGE:** Would you set bail in this case?

25. **PA Curtis:** \$500

26. **ME:** I object!

27. **The judge then asks me if I could post a \$500 appearance bond!**

Judge Johnson seems to be colluding with PA Curtis to force their  
jurisdiction on me through brutal unnecessary means and extreme  
bail.

I told the judge that under threat, coercion, and thru their

1.  
2. collusion as right now you the judge are colluding with the PA  
3. Curtis.

4. To protect myself I will do what I have to do, but once  
5. again you are supposed to presume me innocent, and she's supposed  
6. to be the prosecuting attorney that submits evidence.

7. **Judge: Bail is consistent.**

8. **ME:** What is the bonds purpose?

9. **Judge:** To guarantee your appearance in a timely fashion.

10. **Me:** I am here??

11. **Judge:** You have not appeared in the past.

12. **Me:** I filed an emergency Motion for extension as I had a flat  
13. tire.

14. (I called into the court 2 hours prior to hearing and the clerk  
15. said too bad just how it is). See ...CLW-012

16. The judge at that moment said he denied my motion, again showing  
17. extreme bias as in the same courtroom were 2 parties that missed  
18. 2 of their hearings and the judge did not suggest posting a bond  
19. for them.

20. I asked the judge if he could put the denial and reasoning  
21. in writing, he stated that he had.

22. I asked for a copy of the denial, I never received one.

23. **Judge:** Can you post a \$500 bond?

24. **Me:** Under threat of arrest and Coercion.

25. **Judge:** Simple question yes or no.

26. **Me:** I will do what I have to to protect myself.

27. **Me:** I also object to Kristy PA not submitting the facts..

**Judge:** Post a \$500 appearance bond at the front window please.

**Me:** I object that the judge is assuming the responsibilities of  
the PA. The PA has not done her job and I would like that on the  
record of the court.

**Judge:** Will you leave the courtroom and post your bail at the  
outside window.

Again this court denied me my rights/forced their jurisdiction by forcing a bond on me under threat of arrest. The judge treated me with bias as he only suggested I get a bond not the other 2 perpetrators in the courtroom that missed several hearings with no cause. I had valid cause a flat tire and called the courthouse immediately for an extension which was denied by the judge.
