"Candi-Lee:Weeks")
CounterPLAINTIFF,) CASE NO. 9:16-cv-00161-DLC-JCL
v.) In RE: TK162305
"CITY OF WHITEFISH et al.") DECLARATION and NOTICE
CounterDEFENDANT)

I, Cassidy:Weeks , A living Man/Woman, in this court of record **Claim & Declare:**

On September 29,2016 at approx 2 am we were traveling from Whitefish on roadway 93,it was very late. Our dad was following right behind our auto in his auto.

We passed a police car in an entrance to a parking lot on the right side of 93. The Police car pulled out behind our Dads auto, then passed him to cut between our car and my Dads auto. The police then turned their lights on.

This confused us as we were traveling at the posted speeds and had no idea why we would be pulled over and detained.

Officer Conway asked to see my moms drivers license. She told him that she did not have one because she does not drive,she told him that she only travels.

Officer Conway made mockery of my moms statement that she travels.

Officer Conway told us that he stopped us because he thought that we had swerved. He was not truthful as I was traveling in the front seat and the swerve never occurred that he thought he had seen.

Officer Conway ignored my mom and mocked her statements and

1.
2. answers. When my mom asked to speak with his superior, she was
3. told that she could not as there were not any available. She
4. asked several times if she was being detained and was told yes
5. each time.

6. When **Officer Conway** asked my mom for her phone number she
7. answered honestly and told him she did not have one. **Officer**
8. **Conway** responded statistically "of course not" seeming to be
9. ridiculing her. During the stop the other officers kept shining
10. their flashlights in our eyes, my brothers and sisters.

11. He went back to his car and then came back and told my mom
12. that he was giving her a ticket and slid it in her window and it
13. dropped on the floor of the auto. My mother asked if we were free
14. to go. Officer Conway answered yes and we continued to travel
15. after about an hour or so of being detained.

16. After watching the video footage recorded by the Whitefish
17. Police, I witnessed that: Candi-Lee:Weeks was traveling in an
18. automobile, and was not swerving, or demonstrating any bad
19. operation of the automobile. Candi-Lee:Weeks notified the officer
20. that she is not a Driver and never Drives. Candi-Lee:Weeks
21. notified the officer that she is exercising her right to travel.
22. Officer Kevin Conway did unlawfully detain Candi-Lee:Weeks,
23. without any injured party or victim, nor any proof or evidence of
24. his allegations.
